# **CCAPP Board of Directors Election Category B - Program Members**

## **Candidate Statements**

### **BRANDI JORDAN PROGRAM CANDIDATE MY TIME RECOVERY, LLC**

My Name is Brandi Jordan, and my passion is helping people find hope. I am a Licensed Marriage and Family therapist (LMFT), a Licensed Alcohol and Drug Counselor (LAADC), and a certified animal assisted therapist (CAATP). Additionally, I have earned a bachelor's degree in psychology, a master's degree in marriage and family therapy, and I am currently in the

dissertation phase of my doctoral program to earn a PhD. In Psychology. My experience includes working in public and in private treatment for both mental health and substance use disorders, served as a deputy conservator for serious mental illness and worked as a treatment liaison for my county jail. I have experience as a managed care utilization review specialist for the Drug Medi-Cal waiver for all county funded programs, as well as worked within school districts providing substance use counseling, and even had a private practice as an LMFT. Currently, I work as a clinical director for My Time Recovery, LLC. where I utilize my skills as a clinician and an administrator to oversee all programs including detox, residential, and several levels of care at the outpatient level. I provide clinical supervision for unlicensed clinicians, have eight direct reports, and help supervisors manage their departments including all staff and clients, to provide the best client care, grow personally and professionally, help the organization maintain structure, compliance, and overall organizational health. I also have lived experience when it comes to mental health and substance use disorders. My passion is to help people and to provide hope to those who feel hopeless. As a professional, and as someone with personal experience in this field, it would be an honor and a privilege to serve on the Board of Directors for CCAPP, and have the ability to offer my experience and provide feedback to this field and the world from the program perspective.
